U.S. ENVIRONMENTAL PROTECTION AGENCY (EPA) REQUEST FOR INFORMATION REGARDING
ROCKY FLATS PLANT (RFP) PURSUANT TO SECTION 114 (a) (ii) OF THE CLEAN AIR ACT

This information is for the attention of M. Van Der Puy.

Enclosed is the response to EPA's request for information (see attached) on beryllium emissions from the Rocky Flats Plant. DOE-RFO has received an informal extension of fifteen days and will be briefing the Colorado Department of Health (R. Fox) on March 13, 1990 on this topic. The attached enclosures are consistent with the approach discussed during our March 2, 1990 meeting on this subject.

Please contact George H. Setlock (X2453) or Marilyn R. Boss (X7350) on my Clean Air & Environmental Reporting staff if you have any questions on this issue.
